Overview

Healthcare professional liability insurers turn to Anne for her decades of experience in handling insurance claims.

Her areas of emphasis include:

- Coverage analysis, especially the application of policies to non-standard situations. Anne's coverage positions have been successfully defended in trial and appellate courts in Massachusetts, New Hampshire, and Vermont.
- Preparation of coverage letters for insurers to send to insureds for claims in which some damages alleged by plaintiffs were or might not be covered.
- Advice regarding claims handling, particularly assertions of failure to settle.
- Commercial litigation matters outside of the insurance area, including intellectual property disputes and antitrust investigations.

Anne prides herself in her analytical ability to help insurers marshal facts and assess decision-making in response to demands through her extensive knowledge of her client's policies and industry norms and detailed analysis of the particular facts of the pending claim.
