xlawrence@andersonkreiger.com

#### Overview

Xavier litigates on behalf of private and public-sector clients of all sizes. He advises clients during all stages of litigation, including initial fact investigation, discovery, deposition preparation, and motion practice. Xavier has extensive experience drafting discovery responses and conducting and managing complex confidential document reviews.

Before joining Anderson & Kreiger, Xavier worked for a well-known regional firm focusing on toxic tort and product liability litigation where he gained valuable litigation and trial experience.
