

## Anderson & Kreiger LLP Announces the Opening of the Application Period for the 2021 Anderson & Kreiger Legal Diversity Fund Stipends

Application Period Opens Wednesday, May 5, 2021 and Closes Tuesday, June 15, 2021

The firm will award one \$50,000 stipend to a current law school student and ten \$5,000 stipends to college students with an interest in pursuing a legal career. The stipends are intended to help address the challenges faced by students who lack the financial capital to focus exclusively on schooling like some of their peers and whose financial situation may limit their range of legal career options. The program also aims to address systematic weaknesses in connecting these students with other members of the legal community, potential employers, mentors and clients, which is a strong predictor of success in the legal profession.

### How to Apply

Applicants must download the application from <https://bit.ly/3v6mP8P> and submit it along with a personal statement, a brief statement of financial need explaining how support from the fund would further their education and career, and a current resume, to [diversityfund@andersonkreiger.com](mailto:diversityfund@andersonkreiger.com) by no later than Tuesday June 15, 2021. A transcript and letters of recommendation, which may be written by anyone who knows the applicant including a community member or family member, are optional.

### Selection Committee

An independent selection committee consisting of lawyers from the public, non-profit and private sectors will make final award decisions. The members of the 2021 selection committee are:

- **Joseph Kaigler**, Associate Chief Counsel – Litigation, Massachusetts Port Authority
- **Lauren Sampson**, Staff Attorney, Lawyers for Civil Rights
- **Keri Sweet Zavaglia**, Vice President and US General Counsel at National Grid

Award decisions will be made by August 1, 2021.

### Other Benefits

In addition to the stipend, the law school recipient will receive the following benefits:

- **Baystate Financial** has agreed to provide pro bono financial planning advice to help recipients evaluate options for utilizing the stipend.
- The recipient may, but is not required to, participate in Anderson & Kreiger's mentoring and training programs and firm-sponsored networking and social events.
- The recipient may, but is not required to, perform at least 20 hours of pro bono work
