

John & Abigail Adams Benefit: Boston Bar Foundation

The Boston Bar Foundation's John & Abigail Adams Benefit is the Boston area's largest fundraiser for legal aid. This year, it raised more than \$725,000 from institutional sponsors and attendees. The proceeds from the event benefit the Boston Bar Foundation and its commitment to facilitating access to justice for the under-served, funding and promoting innovation in the delivery of legal services, and supporting important public service projects & pro bono work by lawyers in our community. Anderson & Kreiger was a participating sponsor this year.
